

Caitlin Bloom #1 for Block of 15

Local Focus, National Action

Hey, I'm Caitlin, the current Deputy President Education at De Montfort University Students' Union and I'm standing for Block of 15.

"We have achieved some amazing things as a movement over the last few years, but there is always more work to be done.

We need to look at how a local focus can bring national action.

That is why I'm running for Block of 15; I want to be part of an NUS that scrutinises full-time officers, represents all Unions and is ready for 2015."

What have I achieved so far?

I have won arguments that historically failed:

- Lobbied the University into implementing an anonymous marking system for all students.
- Successfully changed the clearing number from 0845 to 0116 to save our students' money.
- Effectively argued that module options and course descriptors should be changed to better reflect the University prospectus.
